Community Service Project

Each year CDH students and Retreat participants work together on a community service project. This year we will collect items for Little Earth of United Tribes households. We will decorate large white bakery-type bags and place items such as personal care products, simple box meals (i.e. Mac and Cheese, Hamburger Helper etc.), paper plates and napkins, school supplies, treats like gum or mints, kids socks, hair bands or mittens,

We encourage Retreat participants to bring several of the above items to donate for the community service project on the day of the retreat. CDH students will be collecting these items too.

Photo Release

During the retreat, staff and volunteers from Cretin-Derham High School will be taking pictures of the participants. Some of the photos may be used in the CDH newsletter, slideshows, or other publications.

Please complete the information below:

- I give permission for the participant listed below to be photographed and permission to have the participant's name used with the photo
- I give permission for the participant to be photographed but **do not** the participant's name used.
